

REMARKS

Claims 5 and 6 are pending in this application. Attached hereto is a complete listing of all claims in the application, with their current status listed parenthetically. Claims 1-4 have been cancelled, without prejudice to further prosecution.

In the office action, claim 2 was provisionally objected to as being dependent upon a rejected claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. In order to place this application in condition for allowance, Applicant respectfully submit herewith the amendments to overcome the rejection.

Conclusion

Applicant believes that this Response has addressed all items in the Office Action and now places the application in condition for allowance. Accordingly, favorable reconsideration and allowance of claims 5 and 6 at an early date is solicited. No fee is believed due with this response. Should any issues remain unresolved, the Examiner is invited to telephone the undersigned.

Respectfully submitted,
